章节摘录

B Homestay provides English language students with the opportunity to speak English outside the classroom and the experience of being part of a British home. **What to Expect** The host will provide accommodation and meals. Rooms will be cleaned and bedcovers changed at least once a week. You will be given the house key and the host is there to offer help and advice as well as to take an interest in your physical and mental health. **Accommodation Zones** Homestays are located in London mainly in Zones 2, 3 and 4 of the transport system. Most hosts do not live in the town centre as much of central London is commercial and not residential (居住的). Zones 3 and 4 often offer larger accommodation in a less crowded area. It is very convenient to travel in London by Underground. **Meal Plans Available** **Continental Breakfast** Breakfast and Dinner **Breakfast, Packed Lunch and Dinner** It's important to note that few English families still provide a traditional cooked breakfast. Your accommodation includes Continental Breakfast which normally consists of fruit juice, cereal (谷物), bread and tea or coffee. Cheese, fruit and cold meat are not normally part of a Continental Breakfast in England. Dinners usually consist of meat or fish with vegetables followed by dessert, fruit and coffee. **Friends** If you wish to invite a friend over to visit, you must first ask your host's permission. You have no right to entertain friends in a family home as some families feel it is an invasion of their privacy. **Self-Catering Accommodation in Private Homes** Accommodation on a room-only basis includes shared kitchen and bathroom facilities and often a main living room. This kind of accommodation offers an independent lifestyle and is more suitable for the long-stay student. However, it does not provide the same family atmosphere as an ordinary homestay and may not benefit those who need to practise English at home quite as much.

60. The passage is probably written for _____. A. hosts willing to receive foreign students B. foreigners hoping to build British culture C. travellers planning to visit families in London D. English learners applying to live in English homes

61. Which of the following will the host provide? A. Room cleaning. B. Medical care. C. Free transport. D. Physical training.

62. What can be inferred from Paragraph 3? A. Zone 4 is more crowded than Zone 2. B. The business centre of London is in Zone 1. C. Hosts dislike travelling to the city centre. D. Accommodation in the city centre is not provided.

63. According to the passage, what does Continental Breakfast include? A. Dessert and coffee. B. Fruit and vegetables C. Bread and fruit juice D. Cereal and cold meat

C Tom was one of the brightest boys in the year, with supportive parents. But when he was 15 he suddenly stopped trying. He left school at 16 with only two scores for secondary school subjects. One of the reasons that made it cool for fun was the power of his peer (同龄人) group. The lack of right male (男性的) role models in many of their lives at home and particularly in the school environment (环境) means that their peers are the only people they have to judge themselves against.
