<<南国故事>>

内容概要

威廉·福克纳出身南方，此地民风强悍，集边地之野、蓄奴之蛮和内战之乱于一身。小福克纳听着旧时奴隶和退伍军人的传奇故事长大，其想象力具有历史的质感和厚度。或在森林中扬鞭驰骋、追逐狩猎，或在蓝天中驾机翱翔，其经历从不平淡。福克纳笔下的世界狂暴、滑稽、古怪，却又有一种别样的美丽，本书便带您认识这份别样的美丽。

作者简介

西弗吉尼亚马歇尔大学教授，全美知名的天才儿童教育专家，除了在学术期刊上发表的文章之外，她还著有四本相关专著，其中包括《天才儿童的禀赋》、《奇想录：美国人才发展和美国学校的反智倾向》等。

章节摘录

Because he thought the South should be able to maintain its practice of slavery, and for other reasons as well, he joined the Confederate Army in 1861 when the Civil War began. Though he entered the Civil War as a captain and left it as a colonel, his service didnt bring him as much glory as it could have. He was too reckless with the lives of the soldiers under his command. He may have been a little too careful with his own life. One generals report notes that Colonel W.C. Falkner saved himself during a battle by riding off on a side path, separating himself from his men. Not long after his men elected another officer to lead them, W.C. left the Confederate Army. Confederate records say he was discharged because of an illness. After he left the army, W.C. turned to the black market as a way to make money. Black-marketing trading with the enemy was ill egal. However, selling cotton to the Yankees and buying much-needed goods such as salt, medicine, and shoes from them were ways to make huge profits. Unlike most south erners, W.C. came out of the war richer than he went into it.
