## <<综合英语>>

### 内容概要

《综合英语（二）自学考试大纲》是根据1995年修订的全国高等教育自学考试英语专业考试计划的要求编写的。

2000年2月英语专业委员会召开审稿会议，对本大纲初稿进行了讨论定稿。

本大纲由北京外国语大学徐克容教授主编，参加编写任务的有陈亚平副教授和陈辉讲师。参加审稿会并提出意见的有北京外交学院潘绍中教授、首都师范大学刘北利教授、北京外国语大学梅仁毅教授、余志远教授和刘润清教授。

本大纲最后由英语专业委员会主任委员庄绎传教授审定。

## 章节摘录

3 Such complaints are not limited to people who sit in my study. Human beings everywhere hunger for courtesy. “ Good manners , ” said Ralph Waldo Emerson , “ are the happy way of doing things. ” And the reverse is equally true. Bad manners can ruin fl day—or wreck a friendship. 4 What are the basic ingredients of good manners ?

Certainly a strong sense of justice is one ; courtesy is often nothing more than fl highly developed sense of fair play. A friend once told me of driving along a one.1ane. unpaved mountain road. Ahead was another car that produced clouds of choking dust , and it WaS a long way to the nearest paved highway. Suddenly , at a wider place , the car ahead pulled off the road. Thinking that its owner might have engine trou.

ble. my friend stopped and asked if anything was wrong. “ No , ” said the other driver. “ But you ’ ve endured my dust this far ; Ill put up with yours the rest of the way. ” There was a man with manners , and an innate sense of fair play.
