章节摘录

B Life comes in a package. This package includes happiness and sorrow , failure and success , hope and despair. Life is a learning process. Experiences in life teach us new lessons and make us a better person. With each passing day we learn to handle various situations. Love Love plays a pivotal role on our life. Love makes you feel wanted. Without love a person could go hayward (不归路) and also become cruel and ferocious. In the early stage of our life , our parents are the ones who show us with unconditional love and care , they teach us about what is right and wrong , good and bad. But we always tend to take this for granted. It is only after marriage and having kids that a person understands and becomes sensitive to others' feelings. Kids make a person responsible and mature and help us to understand life better. Happiness and Sorrow Materialistic happiness is short-lived , but happiness achieved by bringing a smile on others' face gives a certain level of fulfillment. Peace of mind is the main link to happiness. No mind is happy without peace. We realize the true worth of happiness when we are in sorrow. Sorrow is basically due to death of a loved one , failure and despair. But these things are temporary and pass away. Failure and Success Failure is the path to success. It helps us to touch the sky , teaches us to survive and shows us a specific way. Success brings in money , fame , pride and self-respect. Here it becomes very important to keep our head on our shoulder. The only way to show our gratitude to God for bestowing success on us is by being humble , modest , courteous and respectful to the less fortunate ones.
