We believe it offers a different approach , with the following features : First of all , the language used is likely what you will encounter in a real classroom or work setting while living abroad. The setting of each dialogue is also consistent with how you might encounter English as used by native speakers in their own country. Also, under the guidance of renowned professor Rod Ellis , our partner international research team has delivered a proven methodology for ensuring the intended acquisition of needed skills for IELTS test takers in speaking , listening, reading and writing. And most importantly, this book incorporates ten years of IELTS training experience by the very best teachers at New Oriental , and therefore has been customized to suit the needs of Chinese students.
