<<雾都孤儿>>

前言

一套供青少年和英语爱好者阅读的丛书，应满足三个要求：Read for pleasure；Read for information；Read for language improvement. 《Black Cat有声名著阶梯阅读》满足了以上要求而有余。

首先，这是一套同时供听觉享受的书。

一部作品，当它由专业演员朗读时，就能以其优美的声音、抑扬顿挫的语调、加上传神的表达，使读者和听者真正身临其境，最充分地领会作品中的情、境、思。

而这一效果，就不是只有白纸黑字的书面材料所能提供的了。

加之这套书图文并茂，更使视、听两种感官得以完美地结合。

其次，这套书为读、听者提供了有益的背景资料，包括作家生平、时代背景、人文知识等，有助于培养青少年的跨文化意识。

书中许多传世名画，更给人充分的艺术享受。

再者，虽是读物，却兼具教科书的功能。

每本书都编入为数不少的练习，涉及阅读理解、词汇辨释以及语法结构等，为课堂的语言教学提供了有效的补充。

在教育部颁布的国家英语课程标准中指出了泛读的重要性，明确规定了学生每学期的课外阅读量。

学习任何外语，只有课内的精读，没有课外大量的泛读，是不可能学好的，更不用说获得语感。

《Black Cat有声名著阶梯阅读》丛书的编印出版，为广大青少年和英语爱好者提供了一个学习英语的新天地——我为你们庆幸。

章节摘录

插图：The old woman began to dress the baby with very old clothes. Oliver was alone in the world. He was an orphan !

. No one loved him. When Oliver was small he lived in an orphanage 2 with other orphans. He and the other children had very little food and very little love. Many of the children died because they were cold or hungry. Oliver survived 3 but he was small and thin. His face was very white. On his ninth birthday Oliver left the children's home. He was sad to leave his only friends. He went to live in a workhouse. He worked long hours for the workhouse. They gave him only one bowl of porridge three times a day and an onion 4 twice a week. On Sundays he had a small piece of bread. Oliver and his companions were very hungry and very unhappy. They never asked for a second bowl of porridge. They were afraid. But after three months they became terribly hungry. One day Oliver took his empty bowl to the master. 'Please sir,' he said, 'I want some more porridge.' The master looked at Oliver. He was surprised. 'What ?

' he said. 'Please sir,' he said, I want some more porridge.' The master hit Oliver with his big spoon 6. Then he called Mr Bumble. He was an important officer of the town.
