章节摘录

No doubt , the temptation offered by the art market can also promote institutional laziness. Why come up with other ways to raise money when whatever paintings you have in hand are a potential and easily accessed gold mine ?

Jock Reynolds , director of the Yale University Art Gallery , says Fisk could have explored other ways to keep or share the entire collection and still make some money from it. "Why not look into co-ownership with Mrs. Walton ?

" he asks. "Or they could offer the collection under some kind of partnership arrangement to another historically black university." But in today's market , it will always be tempting to cash out. In March , just as Philadelphia was congratulating itself for managing to keep The Gross Clinic at home , Jefferson University dropped the other shoe. It abruptly announced it would also be selling its two remaining Eakinses , both of them portraits of 19th century physicians who were once on the school's faculty. The weary and tapped-out locals have made no significant move to save those. ……
