章节摘录

A Read Joel ' S Web journal about his trip to Kenya . Then circle this information in the text . I just returned from an exciting tour of Kenya . It was the trip of a lifetime-there was so much to see !

My tour group spent the first two days at Masai Mara , driving around to see animals in their natural environment . We got close to elephants , cheetahs , and zebras , and we took some excellent photographs ! On the third day , we went to Lake Naivasha . We stayed in little huts near the lake , where we could see local birds and hippos . I was surprised to find out that hippos kill more people than any other animal . That night we did some stargazing . The night was clear and perfect—Ive never seen so many stars !

The next morning , we visited Lake Nakuru , where we saw a rare black rhino and hundreds of pink flamingos . That night , we camped in a place where we heard lions walking around near our campsite ! Luckily , we never saw them , but we did not sleep very well . On day five , we took a trip to Thompson's Falls . It was hard to climb to the top , but it was worth the effort-the enormous waterfall was beautiful . We had a nice picnic lunch by the water .

The next day , we went to Mount Kenya , where we visited a Masai village . That night , we tried to do some traditional Masai dancing , and believe me , we looked very funny ! We spent the seventh day hiking on Mount Kenya , and afterwards we made a trip to the local Kikuyu school . We talked to the students and teachers there and learned about their projects . Then we ate together , a traditional Kikuyu dish . Back in Nairobi , Kenya ' S capital city , we had a tour of the city . Then we took our guides out to dinner to thank them for showing US their beautiful country . The next morning , we made the long journey home . I was tired , but very sorry to leave . Visiting Kenya was my best vacation ever .
