章节摘录

Charles McLean, who works for a New York shipping company, wanted to visit his parents but didn't want to spend \$320 on a plane ticket. Instead, he packed himself into a shipping crate and express-mailed himself to DeSoto, Texas. When the crate was delivered to his parents' home, he broke out of the box and shook hands with the delivery person. Unfortunately, the frightened woman did not have a sense of humor. She called the police, and McLean was arrested and charged as a stowaway.

Antony Hicks of Truro, England, likes the rock group Level 42 so much that he decided to change his name to honor the names of the group's CDs and the original band members. Hicks is now legally known as "Ant Level Forty Two The Pursuit Of Accidents The Early Tapes Standing In The Light True Colours A Physical Presence World Machine Running In The Family Platinum Edition Staring At The Sun Level Best Guaranteed The Remixes Forever Now Influences Changes Mark King Mike Lindup Phil Gould Boon Gould Wally Badarou Lindup-Badarou." He told his wife after his new name was recorded in court.

Afternoon. When she tried to drive home from the studio, she discovered that the exit gate was locked. As she tried to find another exit, she saw a bus full of people. She followed the bus, thinking it would lead her to an exit. But the bus was part of a movie. Clark followed the bus onto a ramp and slid into a large pool of water after the bus. No one was hurt, but it took security guards three hours to get her car out of the water!

Tim Wilson was worried about being late for his wedding when he crashed his car and broke his arm and leg. Refusing to stay in the hospital, he jumped into a taxi and arrived at the church just in time for the ceremony. But by the time he had cleaned himself up, his painkillers had worn off, and he passed out. He was rushed back to the hospital with his fiancée and the preacher, who married the couple as Wilson lay in his hospital bed.
