These financial statements also comply with Hong Kong Financial Reporting Standards, or HKFRS, which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards and Interpretations issued by the Hong Kong Institute of Certified Public Accountants, or HKICPA. As applied to our company, HKFRS is consistent with IFRS in all material respects. Pursuant to the requirement under IFRS 1: First-Time Adoption of International Financial Reporting Standards, or IFRS 1, the date of our transition to IFRS was determined to be January 1, 2007, which is the beginning of the earliest period for which we present full comparative information in our consolidated financial statements. With due regard to our accounting policies in previous periods and the requirements of IFRS 1, we have concluded that no adjustments were required to the amounts reported under HKFRS as at January 1, 2007 or in respect of the year ended December 31, 2007. As such, we make an explicit and unreserved statement of compliance with IFRS, as issued by the IASB, with respect to our consolidated financial statements as of and for the years ended December 31, 2007 and 2008 included in this annual report on Form 20-F. PricewaterhouseCoopers, our independent registered public accounting firm, has issued an auditor's report on our financial statements prepared in accordance with IFRS as issued by the IASB. In accordance with rule amendments adopted by the U.S. Securities and Exchange Commission, or the SEC, which became effective on March 4, 2008, we are not required to provide reconciliation to generally accepted accounting principles in the United States, or U.S. GAAP. Furthermore, pursuant to the transitional relief granted by the SEC in respect of the first-time application of IFRS, unaudited financial statements and financial information prepared under IFRS for the year ended December 31, 2006 have been included in this annual report on Form 20-F. The consolidated financial statements included in our annual reports on Form 20-F previously filed with the SEC in respect of the years ended December 31, 2005 and 2006 were prepared in accordance with HKFRS. The consolidated financial statements included in our annual reports on Form 20-F previously filed with the SEC in respect of the years ended December 31, 2004 and before were prepared in accordance with Hong Kong GAAP. The statistical information set forth in this annual report on Form 20-F relating to the PRC is taken or derived from various publicly available government publications that have not been prepared or independently verified by us.
