章节摘录

He was 9—in a Sunday school class of 8-year-olds . Eight-year-olds Callbecruel. The third-graders did not welcome Philip to their group . Not just because he Was older . He Was ” different ” He suffered from Down ’ S syndrome and its obvious manifestations : facial characteristics , slow responses , symptoms of retardafion . One Sunday after Easter the Sunday school teacher gathered some of those plastic eggs that pull apart in the middle the kind in which some ladies ’ pantyhose are packaged . The Sunday school teacher gave one of these plastic eggs to each child . On that beautiful spring day each child Was to go out door and discover for himself some symbol of ’ new life place that symbolic seed or leaf for what ever inside his egg . They would then open their eggs one by one , and each youngster would explain how his find Was a symbol of ’ new life ? ’ So . The youngsters gathered round on the appointed day and put their eggs on a table , and the teacher began to open them . One child had found a flower . All the children “ oohed ” and “ allhed ” at the lovely symbol of new life . In an other Was about a terfly .
