章节摘录

版权页： 插图： Then the fish flopped and floundered in a most unaccountable way. Finally it was perfectly still, and after a while something struck through him like a flash of lightning. The tin soldier saw daylight again, and he heard a voice say, "The Tin Soldier!" The fish had been caught, carried to market, bought, and brought to a kitchen where the cook cut him open with her big knife. She picked the soldier up bodily between her two fingers, and carried him off upstairs. Everyone wanted to see this remarkable traveler who had traveled about in a fish's stomach, but the tin soldier took no pride in it. They put him on the table and—lo and behold, what curious things can happen in this world—there he was, back in the same room as before. He saw the same children, the same toys were on the table, and there was the same fine castle with the pretty little dancer. She still balanced on one leg, with the other raised high. She too was steadfast. That touched the soldier so deeply that he would have cried tin tears, only soldiers never cry. He looked at her, and she looked at him, and never a word was said. Just as things were going so nicely for them, one of the little boys snatched up the tin soldier and threw him into the stove. He did it for no reason at all. That black bogey in the snuffbox must have put him up to it. The tin soldier stood there dressed in flames. He felt a terrible heat, but whether it came from the flames or from his love he didn't know. He'd lost his splendid colors, maybe from his hard journey, maybe from grief, nobody can say. He looked at the little lady, and she looked at him, and he felt himself melting. But still he stood steadfast, with his musket held trim on his shoulder. Then the door blew open. A puff of wind struck the dancer. She flew like a sylph, straight into the fire with the soldier, blazed up in a flash, and was gone. The tin soldier melted, all in a lump. The next day, when a servant took up the ashes she found him in the shape of a little tin heart. But of the pretty dancer nothing was left except her spangle, and it was burned as black as a coal.
