<<塞尚Cezanne>>

内容概要

Paul Cezanne(1839-1906)is prbally,more than any other painter in the history of art,a painter's painter or a painter ofr those who particularly love painting.From Gauguin to Picasso,Matisse to Paul Klee,Braque to Kandinsky or Marcel Dchamp to Jasper Johns,all looked to Cezanne,as he was not just"the father of us all "(Picasso)of "the master par excellence"(Klee),but a spiritual model who was the very incarnation of the solitary artist who restored,through forms,"a soul"to apinting(Kandinsky).
