<<灵命更新90天>>

内容概要

In the rapid pace of today's society, compromise is often a tide that is hard to resist. Often, we find ourselves in situations where it is easy to take the easy way out, where our faith is challenged and we retreat in fear. The need to stand strong in the Word remains as pressing as ever.

With this devotional, Kong Hee brings the message of uncompromising faith into an easy-to-read, day-to-day format, sharing his insights from the Bible in a balanced manner that is both practical and spiritual. Have your faith renewed daily.

Prepare yourself as you step out and be the world-shaking Christian you were meant to be!
