<<办公空间设计OFFICES DESIGN>>

内容概要

Offices DesignSource presents a comprehensive selection of offices and corporate buildings that embody the current revolution in architecture and interior design with regard to professional working spaces. The innovative spaces displayed here are characterized by flexible and dynamic floor plans that can be adapted to multiple purposes and functions, where workers can carry out their duties in comfort and with efficiency. The spaces featured here range from large corporate buildings designed by architects as renowned as Frank O. Gehry and Richard Meier, to smaller projects headed by recognized firms like Claesson Koivisto Rune and Klein Dytham, all the way to offices integrated into domestic spaces by talented young designers.
