## <<Jewellery Making Bas>>

### 内容概要

This practical and easy-to-use book allows you to start making wonderful necklaces, bracelets, brooches, rings, earrings and more, even if you have never so much as picked up a pair of pliers before. Large, clear photographs guide you every step of the way, from setting up your workspace and transferring designs to basic filing, sawing and soldering skills. Techniques are interspersed with practical projects so that you can create beautiful items of jewellery as you learn, from simple silver rings to elegant stone-set pendants. Includes tips and advice on finding inspiration and designing your own unique pieces.
